PARAMUS HIGH SCHOOL ATHLETIC HALL OF FAME DINNER

JAMES J. TEDESCO III

SPECIAL AWARD CLASS OF 1971

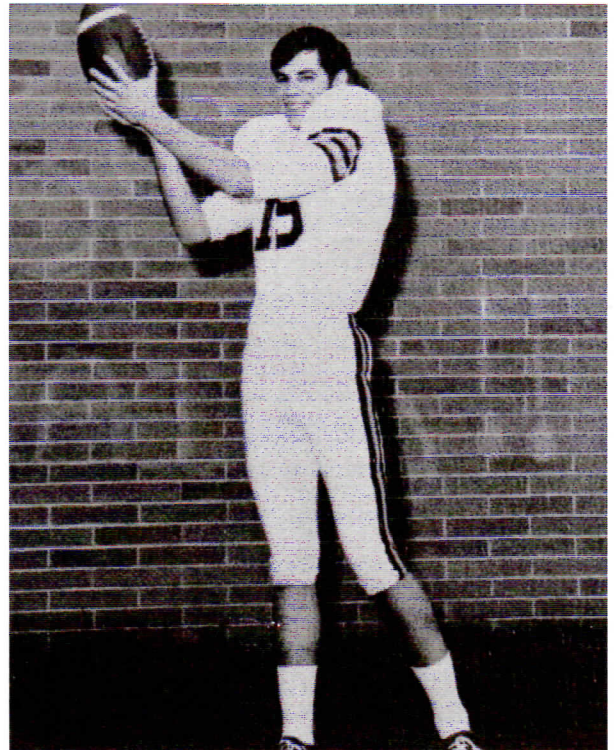

Jim is a graduate of Paramus High School class of 1971. He was married to the late Renee Marano PHS class of 1971. Jim is a lifelong resident of Paramus, his parents Myrtle and James Jr. moving there in 1952 after James Jr. was honorably discharged from the US Navy after serving in World War II and the Korean War. Jim has a younger brother Richard P. Tedesco who is a 1972 PHS graduate and a US Army Veteran.

Jim went to Farview Elementary School, Eastbrook Jr. High School where he developed many long time friendships that carry on today. At PHS Jim played three sports, Football, Basketball and Baseball for all three years and was proud to be part of the 1969 NNJIL Co-Championship Football Team.

After graduating PHS, Jim started his professional career working at PSE&G for thirty-six and a half years, becoming the General Manager of Large Customer Support.

Following the example set by his parents, Jim has always been committed to public service. In 1976, Jim joined the Paramus Fire Department, where he has been a Volunteer Firefighter for more than 43 years and elected Fire Chief twice. Starting in 2000, Jim served on the Paramus Borough Council and then as Mayor of his hometown for two terms. His service also extended to holding several community volunteer leadership positions with emergency management, youth sports, and non-profits.

As Mayor, Jim worked with the Paramus Board of Education to expand shared services between the Borough and the BOE. With his leadership, the Borough completely transformed the Parkway School ballfields into a multi-functional Sports facility that includes two full size soccer/lacrosse fields, a soccer field for recreation play, two baseball fields and permanent comfort stations and snack stand. Along with the changes at Parkway, the East Brook Middle School old football field was refurbished and converted to a soccer field. Converting the PHS football field to an all turf multi use field is one of Jim's proudest accomplishments. In 2009, the PHS football field was transformed from natural grass to an all turf field. Not only was Jim instrumental in the successful completion of the grass to turf field conversion, he developed

the 1.5 million dollar funding plan for the project that included funding from both the BOE and the Borough of Paramus and \$350,000 of Bergen County Open Space Trust funds. All this was accomplished while fighting many political detractors and those with self-interests. The stadium field is now used by most PHS sports teams, for band competitions, as a state playoff site and Paramus Recreation sports.

James J. Tedesco, III began serving his second term as the Bergen County Executive on January 1, 2019. Since taking office in 2015, County Executive Tedesco has focused on improving the quality of life and services for its nearly one million county residents while also creating greater efficiency and effectiveness throughout county government.

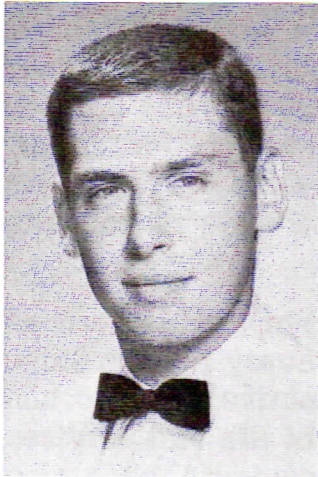

Under Tedesco's leadership, Bergen County was recognized by the U.S. Department of Housing and Urban Development (HUD) as the first county in New Jersey to end homelessness among Veterans. As a longtime supporter of Bergen Community College, Tedesco

restored millions in education funding to the college since 2015. Tedesco secured the future for the county's hospital, Bergen New Bridge Medical Center (New Jersey's largest hospital and the fourth largest publicly owned hospital in the nation), increasing services for U.S. military veterans and their families while continuing its mission as a safety net hospital for thousands. Tedesco is also committed to preserving open space and enhancing the nearly 10,000 acres of Park Land and recreational facilities within our Bergen County Parks System.

Jim has three adult children, Koren (1994), James J. Tedesco IV (1996), and Holly (2001), who share his commitment to public service as a community swim instructor, a FDNY firefighter, and Paramus council member, respectively. He hopes that his six grandchildren (Alex, William, Haley, Andrew, Brynn, Bryce) will continue the family tradition and seek the opportunity to serve as well. Jim continues to live in Paramus with his girlfriend Connie Salimbeno.

PARAMUS HIGH SCHOOL ATHLETIC HALL OF FAME DINNER

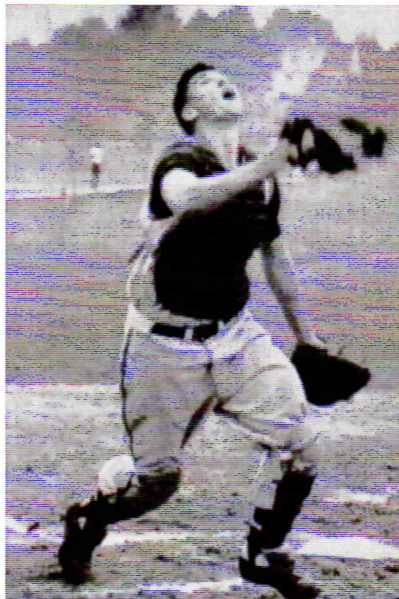

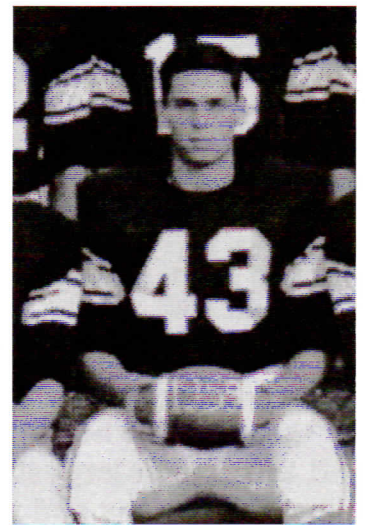

R STANTON BAUER **CLASS OF 1960**

Stan is one of the finest athletes to participate in Paramus High School sports. His contributions to PHS athletics set the standard for all athletes that have followed.

While earning nine Varsity letters, three each in football, basketball, and baseball, Stan contributed tremendously to PHS sports legacy. In football, he was team captain and earned All-County recognition as a linebacker. Even more impressive, he kicked the longest punt in PHS football history.

In baseball, his four years on Varsity were fruitful as he rose to captain earning All-County honors as a catcher. As a three year veteran in basketball, he was also named captain of the Varsity team.

In addition to his sports endeavors, Stan held the position of President of Student Council for 1959 and 1960. After PHS, Stan attended Rutgers University and endeavored to continue his love of sports, playing both football and baseball but a knee injury, unfortunately, forced him to stop. Through R.O.T.C, he served as First Lieutenant and was also President of the Beta Theta Pi Fraternity.

In his career, Stan has risen from salesman to Senior Vice President of various companies including, American Can, Thatcher Glass Company, RKO, BASF, and Fuji Film (from which is retired 2005). He also served as Chairman of I.T.A. (Trade Association)

Stan currently lives in Upper Saddle River, NJ with his wife fellow PHS alumnus Susan (Forrester) '61, together they have one son.

CHARLES (CHUCK) PRICE

CLASS OF 1963

Chuck Price made outstanding contributions to the legacy of the Paramus High School Boys Varsity Soccer program.

He earned three letters for soccer and numerous accolades during his tenure, including a record holding the most PHS soccer goal assists for a number of years. He earned All-County Honorable Mention, 2nd Team, and 1st Team during his sophomore through senior years respectively. He was All-NNJIL 2nd Team (Junior year), and 1st Team (Senior year), while also earning

Chuck also played baseball and basketball, earning a couple more letters during his time. He had the privilege to be mentored by great coaches such as Ernie Unger, Bob Kingsley, and Herb Hoeland.

Academically, Chuck was a member of the Honor Society his senior year and served as the President of the Student Council. He was a Boys' State attendee (1 of 2 selected from PHS) during his senior year and spent time as Student Conductor and trumpet/1st chair during his Junior and Senior years.

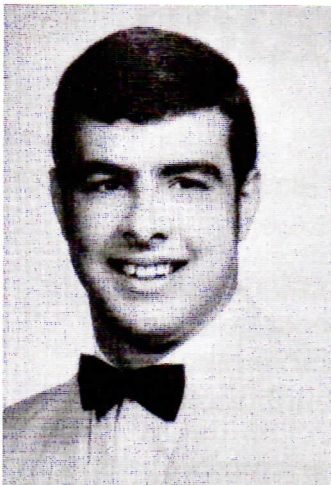

Upon graduating PHS, Chuck went on to Muhlenberg College to earn a Bachelor's Degree in History (1967). He continued his soccer endeavors as a four-year starter on the Division III varsity team and was named co-captain his senior year. He held the record for assists at the college until the 1970s and was selected to the all-PA/MD/DE soccer team in 1966. With these great accomplishments in tow, he was invited to attend the US Olympic Soccer Team tryouts in 1967. At Muhlenberg, in addition to soccer, he took on lacrosse and played two years with their varsity lacrosse team.

Chuck has since spent 42.5 years working in the Defense Intelligence Agency, retiring as a Senior Operations Officer in 2010. Fittingly, and continuing with his passion for soccer, Chuck served as head coach for his daughters' travel and high school soccer teams for about 15 years.

Chuck lives in Gaithersburg, MD and is happily married to his wife, Elaine. His two daughters (Rebecca and Cynthia) have also blessed him with 6 grandchildren and one due as this was going to press!
